

SAMSUNG Pay

Fast, secure and convenient payments with Samsung Pay

Whether you need to tap or swipe a card, Samsung Pay makes payment possible at almost any POS terminal in Canada with your Samsung Galaxy Smartphone or Wearable

Setting up Samsung Pay

Samsung Pay comes pre-installed on most recent Samsung Galaxy smartphones. If you don't have the app, you can download it from Samsung Galaxy Store. You'll need to be signed into your Samsung account to use Samsung Pay.

1. Open Samsung Pay and register your Samsung Pay PIN.
2. Follow on screen instructions to add your Kerrobert Credit Union Member Card[®] and then select your preferred method to verify the card.
3. Select your desired security or authentication options. You're all set to start using Samsung Pay!

Paying with Samsung Pay

- To pay, swipe up from the home button or select the Samsung Pay app.
- Authenticate your purchases with your PIN, fingerprint or iris.
- Hold your phone over the contactless reader.

Please note: Samsung Pay for debit cards is not currently available for Galaxy Wearable devices
